

# Response to reviewers

Daijiang Li

16 November, 2017

Dear Editors, Thank you for your help with our manuscript. The constructive comments from reviewers and Editors have greatly improved it. Sincerely, Daijiang Li

09-Nov-2017

Dear Dr. Li

We have now completed the review process on your manuscript ....

You will find the reports of the referees (if any), and the comments of the handling editor, ...

## EDITOR'S COMMENTS TO AUTHORS

Editor:

Comments to the Author: Dear authors

Thanks for your resubmission, ...

Best wishes, Editor...

We have added qualifiers in these subsections as suggested.

L299 change ‘reveal’ to ‘suggest’ or ‘imply’ or similar.

Changed ‘reveal’ to “suggest.”

## **REVIEWER COMMENTS TO AUTHORS**

---

If there are no comments above, the reviewer may have chosen to upload a file. Please check ScholarOne Manuscripts for any attached files, which may be found at the end of the decision letter in your author centre under ‘Manuscripts with decisions’.
